Director, Federal Bureau
of Investigation
Department of Justice
Washington, D. C.

Dear Mr. Hoover:

In order to establish that no curtain rods were found in the Texas School Book Depository Building following the assassination, we request that your Bureau interview Roy S. Truly, Building Superintendent, to inquire whether he knows of any curtain rods having been found in the building after November 22. We also request that you ask Mr. Truly whether it would be customary for such discovery to be called to his attention.

Your cooperation in the work of the Commission is appreciated.

Sincerely,

SIGNED

J. Lee Rankin
General Counsel
